

TDP43ME Thermal Transfer Desktop Printer and Accessories

The TDP43ME Thermal Transfer Desktop Printer produces high-quality printed labels to identify infrastructure components in data center, industrial automation, and enterprise applications. With durable construction and compact size, the 300 dpi printer is designed for dependable use in industrial, construction, and harsh environments. Using the included Easy-Mark™ Labeling Software, the printer provides simple setup as well as easy operation and use with all Panduit thermal transfer label media. This solution provides network installers, electrical contractors, MRO groups, custom control panel builders, and wire and cable harness houses with the ability to create wire and cable markers, terminal block labels, equipment labels, marker plates, panel labels, network labels, and safety and facility labels.

Key Features	Benefits
