## Honeywell

# MICRO SWITCH™ Rocker Switches Line Guide

**Miniature switches. Maximum value.** Honeywell Sensing and Control (S&C) offers an unprecedented lineup of full-size, miniature, and subminiature rocker switches. But an impressive product line is only one part. We bring to bear engineering expertise and application knowledge no other company can offer.

That means we deliver switches with a variety of aesthetic and functional options: various circuit configurations, ac and dc ratings, industry-standard dimensions, and snap-in mountings. Additionally, we offer one-or-two-pole switches in numerous single throw and double throw maintained and momentary circuits. That's why we're unparalleled as the gold standard and unquestioned as your best value.

#### **FEATURES**

#### POWER-DUTY ROCKER SWITCHES AML Series.

Features: 2- or- 3-position operating action • Available with one or two lamps or nonlighted displays • Housings have black paddles and bezels • Lighted or non-lighted covers for switch housings • Terminals are 0.110 in by 0.020 in, or 0.025 in by 0.025 in • Silver or gold contacts • Available with or without diode protection for LEDs • Lamp circuit independent of switch circuit • Toggle type rocker operators permanently installed in rectangular housings • Lamps furnished installed or ordered separately

**Benefits:** AML features innovations designed by industrial designers to achieve the best balance of human factors and aesthetic appearance. Operator height, bezel size, and the compatibility of rectangular shapes blend with other components to harmonize the panel. Potential applications include industrial machinery and equipment, commercial aviation, construction equipment, test instruments, agricultural machinery, process control, and medical instrumentation

#### TP Series.

**Features:** 2- or- 3-position operating action • Various button colors • One-, two-, and four-pole circuitry • Flush panel and above panel mounting • Dust and splash-proof sealed • Silver or gold contacts • Wide operation temperature range • UL recognized, CSA certified, CE approved

**Benefits:** Can be provided with or without buttons. Available as a flush or panel mount. Large selection of rocker colors, circuitries, and electrical terminations. Versions available with silver or gold contacts to meet a variety of electrical load requirements. Potential applications include industrial machinery and equipment, commercial aviation, construction equipment, test instruments, agricultural machinery, process control, and medical instrumentation

Warranty. Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship. Honeywell's standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace, at its option, without charge those items it finds defective. The foregoing is buyer's sole remedy and is in lieu of all warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for consequential, special, or indirect damages.

While we provide application assistance personally, through our literature and the Honeywell web site, it is up to the customer to determine the suitability of the product in the application.

Specifications may change without notice. The information we supply is believed to be accurate and reliable as of this printing. However, we assume no responsibility for its use.

### A WARNING PERSONAL INJURY

• DO NOT USE these products as safety or emergency stop devices or in any other application where failure of the product could result in personal injury.

Failure to comply with these instructions could result in death or serious injury.

### A WARNING MISUSE OF DOCUMENTATION

- The information presented in this catalogue is for reference only. DO NOT USE this document as product installation information.
- Complete installation, operation and maintenance information is provided in the instructions supplied with each product.

Failure to comply with these instructions could result in death or serious injury.

Компания «Океан Электроники» предлагает заключение долгосрочных отношений при поставках импортных электронных компонентов на взаимовыгодных условиях!

Наши преимущества:

- Поставка оригинальных импортных электронных компонентов напрямую с производств Америки, Европы и Азии, а так же с крупнейших складов мира;

- Широкая линейка поставок активных и пассивных импортных электронных компонентов (более 30 млн. наименований);

- Поставка сложных, дефицитных, либо снятых с производства позиций;
- Оперативные сроки поставки под заказ (от 5 рабочих дней);
- Экспресс доставка в любую точку России;
- Помощь Конструкторского Отдела и консультации квалифицированных инженеров;
- Техническая поддержка проекта, помощь в подборе аналогов, поставка прототипов;
- Поставка электронных компонентов под контролем ВП;
- Система менеджмента качества сертифицирована по Международному стандарту ISO 9001;

- При необходимости вся продукция военного и аэрокосмического назначения проходит испытания и сертификацию в лаборатории (по согласованию с заказчиком):

- Поставка специализированных компонентов военного и аэрокосмического уровня качества (Xilinx, Altera, Analog Devices, Intersil, Interpoint, Microsemi, Actel, Aeroflex, Peregrine, VPT, Syfer, Eurofarad, Texas Instruments, MS Kennedy, Miteq, Cobham, E2V, MA-COM, Hittite, Mini-Circuits, General Dynamics и др.);

Компания «Океан Электроники» является официальным дистрибьютором и эксклюзивным представителем в России одного из крупнейших производителей разъемов военного и аэрокосмического назначения «JONHON», а так же официальным дистрибьютором и эксклюзивным представителем в России производителя высокотехнологичных и надежных решений для передачи СВЧ сигналов «FORSTAR».

«JONHON» (основан в 1970 г.)

Разъемы специального, военного и аэрокосмического назначения:

(Применяются в военной, авиационной, аэрокосмической, морской, железнодорожной, горно- и нефтедобывающей отраслях промышленности)

«FORSTAR» (основан в 1998 г.)

ВЧ соединители, коаксиальные кабели, кабельные сборки и микроволновые компоненты:

(Применяются в телекоммуникациях гражданского и специального назначения, в средствах связи, РЛС, а так же военной, авиационной и аэрокосмической отраслях промышленности).
